

MASTER DATA SERVICES AGREEMENT

Vendor: Northstar Data Cooperative LLC

Customer: Example Analytics Holdings Inc.

TERM

This Agreement is effective on January 1, 2025 and expires on December 31, 2027.

It automatically renews for successive one-year terms unless either party gives 90 days written notice.

PERMITTED USE

Customer may use the supplied records for audience measurement and internal analytics.

TERMINATION

Either party may terminate for a material breach that remains uncured for 30 days after written notice.

DELIVERY AND COMMERCIAL TERMS

Vendor will deliver a complete data file every Monday by 06:00 UTC.

Customer commits to an annual purchase minimum of USD 240,000.

If Vendor misses three scheduled deliveries in a calendar quarter, Customer receives a service credit equal to 5% of that quarter's fees. Amounts unpaid by Customer more than 30 days after notice accrue interest at 1% per month.
